New Business

Show Committee Report – Laurie Slobody – **The club did make money on the Summer Kickoff show and we are in the middle of our second show. Missy Tansey reported that we will consider having an awards banquet this year and the membership voiced that would be good for a Saturday night at a hotel situation.**

Vote on Proposed Change(s) to By-Laws **POSTPONED Changes will be sent to membership for voting at the next meeting.**

Other new committee business **NONE**

Equine Affaire – **The Equine Affaire has sent the club the paperwork to start working on if the club wants to participate in the 2011 Equine Affaire. Missy Tansey reported that last year was a rather difficult year staffing the booth as well as having volunteers for horses as well. The breed demo had to be canceled due to lack of quality equine participants. Missy is not willing to take this project on this year. Mary Adams reports she had a stall in C Barn that worked out well as a way to educate the equine community about the miniature horse. The fee is much less but the stall does have to be decorated and manned at all times that the barn is open. The club voted to not participate in any way as a group this year at the Equine Affaire.**

Next Meeting: **August 28, 2011 1:00 PM – Location to be determined.**
